Cenveo Announces Plant Openings

STAMFORD, CT – (October 8, 2014) – Cenveo, Inc. (NYSE: CVO, “Cenveo”) is very pleased to announce the opening of two state of the art Envelope showcase, production and distribution facilities in Mount Pleasant, Pennsylvania and Chicopee, Massachusetts. Cenveo has made significant investments in the development of the new plants, representing one of the largest investments made into any production facility in the industry over the past ten years. With updated technology, the facilities’ energy-efficient equipment will significantly improve productivity and performance for our customers.

Robert G. Burton Sr., Chairman and Chief Executive Officer, stated:

“The opening of these two flagship facilities represents another milestone in our integration efforts with National Envelope, as we have recently completed the move out of five operations into these two brand new locations and into Cenveo operations. As we continue to ramp up our production capabilities on a daily basis, we feel confident that we can fully service all of our customers’ needs. I would also like to recognize the efforts of our employees during this period of time, as they helped us complete the industry’s largest integration in an accelerated time period. We want to thank our customers for their ongoing support during this transition, and invite them all to visit us at these two new flagship locations.”
